

THREE RIVERS AYURVEDA, INC. PRIMARY CARE POLICY

Three Rivers Ayurveda, Inc. is not a primary care provider. We do not provide primary care services or urgent care service. We require our patients to establish themselves with a primary care physician and provide our office with this information. Our staff does not have hospital privileges and we are unable to treat patients at any other facility. We do not provide urgent, acute, or immediate care at our office or during the home visit. We do not have practitioners on call after-hours or for emergencies. If any of our patients are experiencing a psychiatric or emergency medical situation, they are advised to contact 911 or go to their nearest Emergency Room.

Please provide us with the contact information for your primary care provider:
